

## Georgia EMT-Basic Tuition and Payment Plan

RC Health Services offers two options for EMT-Basic course Tuition: 1) Incoming students may pay their full tuition during registration, qualifying them for a reduced rate of \$1499, or 2) Incoming students may pay partial tuition during registration, and the rest while enrolled through our convenient Payment Plan option.

EMT-B Course Tuition Pay-in-Full option: **\$1799 total**

- One payment of \$1799 made during enrollment.

EMT-B Course Tuition Payment Plan option: **\$1899 total**

- One initial payment of \$750 made during enrollment.
- Four monthly installments of \$287.25 made as an active student. Installments are due on a 30-day interval, based on enrollment date. All tuition must be paid before a student may take the Final Exam.

If you qualify for a discounted rate, such as a military discounted rate (available for students who are current or former military members, proof required), your tuition total may vary.
